Local tap water Free!

Real food made by Real people-

We are not trying to be the fastest restaurant on the coast, and we are not going to be the cheapest either. Our staff of professionals prepare most of our dishes from scratch, with fresh, local ingredients.

We feel strongly that real food is worth the wait, and that sourcing fresh ingredients from local farms is worth paying a bit more for. We hope you'll agree.

Thanks for giving us a try!
